Definition of Terms:

Master Rights: You may sell a product retail to your customer and you may also pass on that right to your customer.

Resell Rights: You may sell a product retail to your customer but you cannot pass on that right to your customer. (Your customer may not resell the item)

Usage Rights: You may not resell a product – it is for your own use only.

PRODUCT TITLE: Ebay Info Store

IMPORTANT: Auction Ad Designer Pro & Ebay Info Profits

These two products ***do not*** come with transferable master rights.

Explanation: You **cannot** sell anything besides the 'Store.zip' file from your reseller site. YOU CANNOT sell the 'Reseller Site.zip'

When your customer purchases 'Store.zip' from your reseller site they may set up a store and sell these two products above ***WITHOUT*** rights.

Make More Money: If you removed/replaced these two products from the store with other ebay master rights products **you may sell everything**.

You could sell the stores & you could sell the 'Reseller Site.zip' to people wanting to sell the 'Stores to their customers' It will take a little set up but this way you stick to the rules and **potentially double your income opportunities**. **Sell the Reseller Site (so people can sell stores themselves) for a much higher price**
