MAKING MONEY WITH TWITTER JUST GOT EASY

Making Money

- Time to start making money
  - You can monetize your twitter account in a few ways.
    - 1. Generation of traffic to your blog
      - Make money from blog monetization
    - 2. Generate cash from resale rights products
      - People click on the links on Tweets
    - 3. Generate cash from Affiliate Products
      - Clickbank Pays weekly direct to your bank!

- Blog Marketing
  - If you automate blog posting to Twitter you will get traffic at your blog from the various Tweets that include links to the blog
  - Set your blog up with various affiliate products or CPA offers to earn money
- This requires TWO steps
  - One they click on your Tweet and visit Blog
  - Two they click on affiliate links to visit sales letter
- Fewer clicks to a sale letter will convert better

- Resell Rights Products (or PLR)
  - Twitter is a great way to sell Resell Rights products
    - Use Tweetlater to post links to your Resell Rights products
  - There are thousands to choose from some are good others are not. Choose carefully.
  - The sale goes straight to your Paypal Account
  - No waiting for the money
- You have to be able to set up a reseller site to generate this income

- Affiliate Programs
  - I recommend Clickbank because they are reliable, offer payments direct to your bank account weekly, and have some of the best products available
  - You need to cloak affiliate links to avoid being ripped off and measure what works
- Watch what other marketer's in your niche sell and do the same thing
  - Yes this may be lazy. But chances are you have different followers then they do.

- Track your conversions
  - Use BudUrl or other service to track which products sell and which ones do not.
  - Modify your tweets to promote the higher converting products more.
  - Constantly test new products
  - What worked last month may not this month
  - You must do multiple Tweets to cover your entire base.
    - Tweetlater automates this for you. Use it!

- BONUS Method
  - Set up Automated Traffic Hubs monetized with free sample CPA offers
    - Twitter will drive traffic to your CPA offers
      - IF you have good content on the Blog
      - Automate Traffic Hubs post content to Twitter automatically ☺
    - Select programs that are low resistance that generate income per lead, not sales.
    - Sample if someone signs up for a free bottle of Acai Burn you will get paid \$12
    - CPA and CPL programs should work well with Twitter
